

Prayer Declarations for the Advancement of God's Kingdom in Big Bear Valley

Father, we come to you with a grateful heart of thanksgiving for your abundant blessings, for you have already blessed us with all spiritual blessings in heavenly places in Christ Jesus. Our hearts are full of praise for your grace, and the completed work of Jesus on the cross.

We worship you for who you are, and we declare that the greatest desire of our hearts is to be worshippers of you. We worship you,

The God of Glory, and declare that the knowledge of the glory of the Lord will fill Big Bear Valley even as the waters cover the seas.

We call forth a spirit of worship so that the hearts of your people will no longer be far from you. We call forth, and release a spirit of love and intimacy with the heart of our heavenly Father, resulting in personal revelations as we worship.

We declare that Jesus is Lord over Big Bear Valley, and that this is a place of righteousness that honors God in all its ways – a place of hope to all who live and visit here. We declare that Big Bear Valley is a place of deliverance, healing and restoration, a place where the heavens are opened and many are supernaturally drawn to the light of the glory of His presence.

We declare that Big Bear Valley is a place of salvation, with a great harvest of souls with believers actively involved in soul-winning resulting in many being born into the Kingdom of God. We declare that this valley is a place of revival, with signs, wonders and healing miracles being continually manifested in our homes, business, places of worship, and on the streets as Jesus is glorified through the hands of believers.

We declare that Big Bear Valley is a place of love, peace, favor, and Kingdom prosperity to all who live here, and to all who are drawn to this place as they continue to seek first the Kingdom of God and His righteousness.

We release a spirit of joyful giving through tithes and offerings so that this valley will be known as a place of prosperity as you multiply our giving back to us in full and overflowing measure.

We declare that the words of the prophets which go back to the early 1900's, and have gone on through these many years, will be fulfilled now – at this time – as many are drawn here by the Spirit of God for times of refreshing, impartation and equipping

for the work of the ministry. We declare that a mighty army will be raised up for this great end-time harvest streaming down from this mountain throughout Southern California, our nation, and reaching on to the nations of the world.

We prophesy the spirit of life to the spiritually “dead bones,” and to those who have been living in spiritually dry places. We speak blessings and protection on the churches, pastors, and ministries, that are lifting up the name of Jesus in this valley. We pray for a spirit of unity, and a building of relationships between the leaders of churches, and ministries in this valley. We speak blessings on those who lead us into praise and worship.

Lord, we set aside our personal desires and submit ourselves to your plans, and your ways, as you build a dwelling place for your glory – that your Will, will be done in Big Bear Valley as it is in heaven.

We forgive and speak blessings on everyone who has spoken evil against us. We declare that no weapon formed against us will prosper, and that any word spoken against us will fall powerless to the ground.

We declare that as true disciples, we will be brought into the full measure of the stature of Christ Himself. Open our spiritual senses that we might see, hear and perceive the initiatives of heaven.

Lord, we release the spirit of Elijah that there will be a turning of the hearts of the spiritual fathers to the children, and the hearts of the children to the fathers. We pray for a release of the intimacy of the Father’s love in this valley. We call forth the hearts of true disciples, who are eager to be conformed to the image of Your Son.

We proclaim Jesus the Christ, the Chief Apostle, is our foundation stone. We declare that Jesus is Lord over each of our lives and over Big Bear Valley, and that the name of Jesus will be lifted up, and that He, and He alone will be glorified.

Lord, we bless and proclaim unity between spiritual leaders, churches, ministries, and believers who are lifting up the name of Jesus in this valley.

We call forth the ministries of the apostles, prophets, evangelists, pastors, and teachers, that they will be received, and function so that every believer in Big Bear Valley will be equipped to do the works that Jesus did; that together we will see the greater works needed for the great, end-time harvest. We declare that signs, wonders and miracles will confirm the Word of God as it is proclaimed in power and authority.

We eagerly desire, impart, activate, and seek to excel, in the manifestation of all of the gifts of the Holy Spirit. We release every believer to function and minister in the revelation gifts – the discerning of spirits, words of knowledge, and words of wisdom. We release every believer to function and minister in the vocal gifts – tongues, interpretation of tongues, and prophecy. We

release every believer to actively function in all of the power gifts – the gift of faith, gifts of healings, and working of miracles. We proclaim that believers will discover and walk in their specific divine destiny that Jesus will be glorified.

In the name of Jesus we break, renounce and repent from compromise, from following any traditions of religion. We break any grip of pride, disunity, selfish ambition, or control (witchcraft) from people’s lives.

In the name of the Lord Jesus Christ, we now proclaim over our properties, that every person, place, object, substance, or being – along with telephones, televisions, computers, networks, and utilities – all spiritual openings and doorways – allowing ingress or egress for anything serving Satan's kingdom – are now closed and sealed and shall remain closed and sealed by the power of the shed blood of the Lord Jesus Christ.

Jesus, we proclaim the triumphant church, the body of Christ, that you are building in this valley will be a mirror reflection of the church that you said you would build in the Book of Acts, with signs, wonders, and healing miracles confirming the powerful, uncompromised preaching and teaching of the Word of God.

Jesus you are Lord over Big Bear Valley. We cover the governments and governmental leaders of this valley with the shed blood of Jesus. We bind the spirits of corruption, control, and self-interest. We declare that the name of Jesus is above every name of civil government, and power structures in this valley. We proclaim that the governmental leaders in this valley will stand for righteousness without compromise.

We bless and cover with the blood of Jesus all our law enforcement officers and declare that Big Bear Valley is a “no crime zone.”

We bless the medical professionals, our hospital and clinics, and the health-care providers of this valley. We declare that Big Bear Valley is the healthiest place in the world.

We bless and cover with the protection of the blood of Jesus our fire-fighters, forest-service employees, and those involved in search and rescue. We declare that no fire, earthquake, plague or other weapons formed against this valley and surrounding forest will bring destruction.

We speak safety for all who travel on our roads and highways both in this valley, and to and from Big Bear Lake. We speak safety to those involved in recreational sports in this valley and the surrounding mountains.

We speak prosperity to this area and to all who reside here including the employers, employees, those involved in building trades, maintenance services, and recreational businesses, tourism, real estate and financial institutions. We speak full

employment for those who reside here. We bind the spirit of welfare mentality, and release an entrepreneurial spirit that will bring new business to this valley.

We bind the spirits of hopelessness, poverty, and suicide. We declare a loosing of the entanglements of unrighteous and demonic cultures from the minds, hearts, mouths, hands and feet of your people. We renounce any territorial lines, curses or constructs spoken to empower Satan's kingdom over the Big Bear Valley. We bind and rebuke anything representing Satan's kingdom that would endeavor to come against each of us, the body of Christ, in this Valley.

In the name of the Lord Jesus Christ we proclaim that all the sin energies we have produced, and all the sin energies and sacrifices that have been produced to make war against us, and other followers of Jesus in our valley – at any time, by any means – are now stripped from Satan's kingdom and are given to the Lord Jesus Christ to strengthen His sword to make war on our behalf, because He alone, has paid for all the sins of the world, and He is the only One worthy to receive these energies and sacrifices.

Lord Jesus, You are the invincible Captain of the host and we ask You to send Your heavenly host to wage war on our behalf, and on behalf of all the followers of Jesus, and all the churches and ministries in Big Bear Valley who are lifting up the name of Jesus. We praise You, Lord, for going before us as a Consuming Fire. We praise you for giving us the victories and for making us to be more than conquerors.

We proclaim that Big Bear Valley is now filled with the light, life, and presence of the Lord Jesus Christ so nothing serving Satan's kingdom will be able to tolerate it. We thank You, Lord, for filling Big Bear Valley, and all of us who are followers of Jesus in this valley, with your power and presence.

We ask for your wisdom on how to reclaim the Big Bear Valley for Your Kingdom. We ask that You empower us to take dominion and forcibly advance your Kingdom over this valley and each of our lives. We call forth the spirit of God into this valley. We open the portals of Heaven and the Wells of the Spirit to bring forth every blessing you have promised us in Your Word.
